

# Utah Quarter Horse Racing Association

It's that time again to donate your stallions breeding to the UQHRA Beehive stallion auction. These auctions proceeds will go towards added money to the 2023 Beehive Futurity.

In the 2020 Beehive Stallion Auction, every stallion breed that sells, the owner of the stallion will receive a FREE berth to the 2023 Beehive Futurity. In the last four years, the Beehive Futurity has averaged a whopping \$78,000 total purse! Your stallion breed donations are what make these purses possible.

Every stallion donated will be featured in our online auction with a picture, pedigree information, a link to the website of the farm where the stallion is standing, and if the stallion is listed on [www.Stallionsearch.com](http://www.Stallionsearch.com), we will have the Stallion page linked to the stallion listing on our website to provide additional information. If your farm does not have a website or if the stallion is not listed on [www.stallionsearch.com](http://www.stallionsearch.com) we will upload information provided by the stallion owner to assist in marketing the stallion. Please email the photos you would like us to use for your stallion(s) listing at, [uqhrastallionauction@gmail.com](mailto:uqhrastallionauction@gmail.com).

Here at UQHRA we want to send a sincere thank you, to all our stallion owners and farms for your loyal support to our auction! Last year, we had great success with our first ever online auction and we only hope to grow this year.

Sincerely,

Taylor Johnson  
UQHRA Stallion Auction
